2nd International Conference on Advanced Research in Social and Economic Science (ICARSE 2023) Bobur Sobirov, Mochammad Tanzil Multazam, Hyeyun Ku, Ayapbergen Taubayev, 2024-07-10 This is an open access book The 2nd International Conference on Advanced Research in Social and Economic Science ICARSE proudly announces its return as a beacon of intellectual dialogue and collaborative discovery This year's conference themed Harnessing Social Science and Economics for Post Pandemic Renewal Strategies for Global Resilience and Prosperity seeks to foster a fertile ground where academics professionals and industry experts can converge to dissect discuss and devise strategies that leverage the power of social science and economics in charting a course towards a globally resilient and prosperous future in the post pandemic era In this critical juncture of history ICARSE 2023 aims to be a crucible where innovative ideas and evidence based strategies are cultivated to address the challenges that have emerged in the wake of the global pandemic It aspires to facilitate discourse that would bridge gaps forge connections and inspire solutions that resonate on a global scale fostering a future marked by resilience and shared prosperity

Strategic Information Technology Arthur M. Langer, Lyle Yorks, 2018-08-28 Successfully navigate the changing face of the CIO role Strategic Information Technology offers CIOs a handbook for engaging with the senior management conversations surrounding strategy The CIO role is currently undergoing a massive transition from technology focused expert to a more strategic mindset and this book provides proven methods for taking your seat at the table Lessons from high performing CIOs and a wealth of leading edge insight provide invaluable guidance for positioning technology as a strategic driver across the business while a focus on building the necessary connections for example an alliance between IT and HR provide a multimodal approach to navigating the transition The evolution of the CIO's role involves more than simply technical knowledge the new CIO must be an influencer an engager and just as adept at the soft skills that become increasingly crucial as you climb the management ladder It's about changing mindsets translating hard skills into strategic advantages and demonstrating IT's value to the strategic decision making process This book provides best practices illustrative examples and up to date perspective for CIOs wanting to Position IT as a critical driver of overall strategy Build on functional expertise with strategic insight Learn from the stories of successful tech to strategy transformations Engage C Suite peers in shaping the strategic conversation Not long ago the CIO occupied a unique place in the C Suite Executive by title CIOs have nevertheless been seen as predominantly the chief tech expert with little input into strategy as IT has historically been regarded as a tool rather than a source of competitive advantage The truth is becoming increasingly apparent with companies around the world turning to technology in order to gain a competitive edge and CIOs are beginning to claim their place in strategy discussions Strategic Information Technology offers much needed guidance for a successful transformation

Professional and Business Ethics Carl Frederick Taeusch, 1926 *Measuring and Controlling Sustainability* Adam Lindgreen, Christine Vallaster, Dr. Shumaila Yousofzai, Bernhard Hirsch, 2018-09-03 Efforts to establish the measurement and control of sustainability have produced

notable tools but those instruments lack applicability in practice Increasing the level of standardization of such tools also seems difficult to achieve because the contexts surrounding the focal organizations differ considerably Therefore what we need is a systematic interdisciplinary assessment of how to measure and control sustainability so that we can establish an essential definition and up to date picture of the field Measuring and Controlling Sustainability attempts to provide such an assessment in 17 chapters organized into four main topic sections a organizations and social value creation concepts responsibilities and barriers b accounting measurement performance and diffusion of social value c practical and managerial insights from real life cases and d choices incentives guidance and ethics This research anthology provides a comprehensive collection of cutting edge theories and research that will further the development and advancement of measuring and controlling sustainable efforts in theory and managerial practice
