God the Creator Henry E. Neufeld, 2020-06-17 What does it mean to believe that God is the creator Are you required to dismiss the findings of modern science and the theory of evolution While Christians share a belief in God the Father almighty creator of heaven and earth they do not all agree on just when and how God created Many are unaware of the many different views on origins that are held by Christians and on the theological implications of those beliefs This book discusses the basic Christian beliefs on the origins of the universe and of life but then moves forward to provide some pointers toward a more robust doctrine It is very difficult to be truly neutral and the author does not attempt to do so Rather he attempts to speak in such a way as to foster further discussion Key topics include biblical interpretation the relationship of

written revelation and study of the created world the fall sin and redemption including the glorious purpose God has for all creation It is suitable as an introduction to the issues involved in this debate Clinical Neuropsychology Study Guide and Board Review Kirk J.
