The Great Transformation Karl Polanyi, 2001-03-28 In this classic work of economic history and social theory, Karl Polanyi analyzes the economic and social changes brought about by the great transformation of the Industrial Revolution. His analysis explains not only the deficiencies of the self-regulating market but the potentially dire social consequences of untempered market capitalism. New introductory material reveals the renewed importance of Polanyi's seminal analysis in an era of globalization and free trade.

Study Guide to Our Town and Other Works by Thornton Wilder Intelligent Education, 2020-06-28 A comprehensive study guide offering in-depth explanation, essay, and test prep for selected works by Thornton Wilder, recognized as one of America's most respected contemporary writers. Titles in this study guide include *The Cabala*, *The Bridge of San Luis Rey*, *Heaven's My Destination*, *Our Town*, and *The Skin of Our Teeth*. As a collection of twentieth-century literature, Wilder's work was influenced by his religious background, his love of classicism, and his worldwide travels. Moreover, many of his stories explored humanist themes and biblical motifs and allusions. This Bright Notes Study Guide explores the context and history of Wilder's classic work, helping students to thoroughly explore the reasons they have stood the literary test of time. Each Bright Notes Study Guide contains Introductions to the Author and the Work, Character Summaries, Plot Guides, Section and Chapter Overviews, Test Essay, and Study Q&A. As the Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

Chinese Rural Development: The Great Transformation William L. Parish, 2016-07-08 This text examines the Pacific War the Korean War and the Vietnam War from the perspective of those who fought the wars and lived through them The relationship between history and memory informs the book and each war is relocated in the historical and cultural experiences of Asian countries

The Radical Jesus, the Bible, and the Great Transformation Douglas E. Oakman, 2021-01-25 The Radical Jesus offers a companion to the author's previous article collection Jesus and the Peasants Even more than in Jesus and the Peasants these eleven chapters sharpen the focus on the political economic meaning of Jesus then and the deeper values embodied in him that perhaps are still pertinent for now Part One considers his activities and aims within the political economy of first century Galilee Part Two offers perspectives on the critical hermeneutical task of linking the values of Jesus and the Bible to a world that has undergone what Karl Polanyi called the Great Transformation Polanyi argued persuasively in his 1944 book that economy in the pre industrial age was embedded in social relations and served necessary social purposes while society after the Great Transformation became embedded within market capitalist economy to the detriment of social relations This book finds in sustained critical dialog with the Radical Jesus another transforming force and a guiding light toward a more humane economy and society that will serve human need rather than selfish greed

The Great Transformation Odd Arne Westad, Chen Jian, 2024-09-24 The first thorough account of a formative and little understood chapter in Chinese history Odd Arne Westad and Chen Jian chronicle how an impoverished and terrorized China experienced radical political changes in the long 1970s and how ordinary people broke free from the beliefs that had shaped their lives during Mao's Cultural Revolution These changes and the unprecedented and sustained economic growth that followed transformed China and the world In this rigorous account Westad and Chen construct a panorama of catastrophe and progress in China They chronicle China's gradual opening to the world the interplay of power in an era of aged and ailing leadership the people's rebellion against the earlier government system and the roles of unlikely characters overseas Chinese capitalists American engineers Japanese professors and German designers

This is a story of revolutionary change that neither foreigners nor the Chinese themselves could have predicted *The Great Transformation in Higher Education, 1960-1980* Clark Kerr, 1991-02-12 Clark Kerr former President of the University of California and a leader in higher education policymaking offers his views of the turbulent decades when colleges and universities scrambled to provide faculty and facilities for the burgeoning student population only to be faced later with economic depression and subsequent conservatism From his unique vantage point Kerr offers insights into the role of higher education its performance under pressure its changing climate its efforts to serve the multiplicity of demands made upon it and its success or failure in meeting those demands The Institutional Dynamics of China's Great Transformation

Xiaoming Huang, 2010-11-30 This book examines the role of institutions in China's recent large scale economic social and political transformation The book argues that although the importance of institutions in China's rapid economic growth and social development over the past 30 years is widely acknowledged exactly how institutions affect changes in particular national and historical settings is less well understood Unlike existing literature it offers perspectives from a variety of disciplines including law economics politics international relations and communication studies to consider whether institutions form evolve and change differently according to their historical or cultural environments and if their utilitarian functions can and should be observed identified and measured in different ways The book discusses China's political and legal institutions the international institutions with which China engages institutions promoting science and technology media companies and local institutions including the household registration system It also examines how institutions themselves have been formed changed and reformed over recent decades and suggests theoretical and methodological adjustments in institutional analysis to allow a fuller understanding of the institutional dynamics of China's transformation
