**Research in Education** ,1973      **The Inner Power of Stillness** Alexander Filmer-Lorch,Margaret Anne Gill,Caroline Barrow,2016-08-01 The Inner Power of Stillness is not just another book about therapeutic presence mindfulness and meditation It explores and highlights the next evolutionary step leading us beyond the already well researched teachings of these topics by looking at the multidimensional scale of stillness from an entirely different point of view The focal point is the inner development by therapists practitioners and teachers of the mainly dormant potential of stillness and the storage capacity of stillness stimulus and imprints in our tissue fascia as well as their benefits use and application in a treatment or teaching environment The Inner Power of Stillness endeavours to illuminate the lost value of stillness for the therapist and practitioner both as a person and as a professional The authors anchor the possibility of this inner evolution of the power of stillness to the latest research into tissue and cell memory They introduce the concept of a potential new modality called stillness memory and build upon this new understanding a logical and practical framework in which science and philosophy truly inform each other This opens up access to a much larger scale of new ideas and possibilities which providing the transformative teachings they embody are put into practice carry the potential for practitioners to be the best person and the

best professional they can be without compromising their own overall health and wellbeing In depth knowledge of how to arrive at this promising new modality as well as how to apply it in everyday work and life is at the heart of the book It covers topics such as working from your inner power of stillness the insightful self and most importantly the practitioner s toolkit Some thought provoking themes that might be of great value to therapists teachers and practitioners who intend to dedicate some of their time to working for the greater good can be found at the end of the book where consideration is given to a universal view of compassion and the solace that stillness can bring to people who are nearing the end of their life and final departure The book concludes with a philosophical note acknowledging the timeless nature of ancient wisdom and the ever more important relevance and role of the philosopher in our modern world today The Inner Power of Stillness is a comprehensive guide for people working with people It provides practical knowledge that will revolutionise the way practitioners help others Working from a greater perspective being aware of the whole as well as the parts and responding to the cause and not only the effect Working from an internal place of stillness Innovative and practical exercises and techniques to dissolve friction struggles in sustaining a state of authentic therapeutic presence mindfulness and meditation Simple exercises to help clients build long term memory of stillness as a foundation for successful mindfulness and meditation practice Includes Forewords from John Matthew Upledger Lauren Walker and Charles Ridley     Pastoral Counseling:Where One Encounters the Enormity of God's Love Gerald V. Miller,2022-08-05 The pastoral counselor brings God s presence to the counseling session The counselor radiates God s enormous unconditional love and forgiveness to the client Clients come in because they are spiritually broken and prey to the allies of darknessaEURfear of abandonment from God and those they love resentment frustration anxiety and callousness He is the prodigal son Through empathy compassion and counseling skills the pastoral counsel connects them to the God who runs to meet him with joy throws his arms around him kisses him forgives him and makes him psychologically and spiritually whole again by giving him the signet ring The pastoral counselor s role is to facilitate this occurrence     *The Publishers' Trade List Annual* ,1992     *Integrating Plain English into Writing Activities in the PhD Language Programme* Monika Śleszyńska,2025-09-04 This book explores the intersection of writing theory language simplification and academic communication with a specific focus on integrating plain English into doctoral education Through five comprehensive chapters the book discusses essential topics such as the principles of effective writing the role of clarity and readability in academic texts and the significance of plain English for enhancing scientific writing skills Chapter 1 offers an overview of writing theory emphasizing key concepts that impact the clarity and readability of written texts Chapter 2 examines the importance of language simplification particularly in scientific publishing while Chapter 3 highlights writing challenges in target language classrooms with a focus on writing development In Chapter 4 the book provides the context for a groundbreaking empirical study justifying the use of plain English in PhD language programmes Chapter 5 presents detailed data analysis key findings and implications for future research

demonstrating how the teaching of plain English enhances doctoral students writing skills empowers them as publishable authors and improves the overall quality of their scientific work Given the limited research on this topic in Polish educational settings this book is of interest to scholars and English language teachers in doctoral programmes *El-Hi Textbooks and Serials in Print* ,1985 **Representing, Modeling, and Visualizing the Natural Environment** Nick Mount,Gemma Harvey,Paul Aplin,Gary Priestnall,2008-12-22 The explosion of public interest in the natural environment can to a large extent be attributed to greater public awareness of the impacts of global warming and climate change This has led to increased research interest and funding directed at studies of issues affecting sensitive natural environments Not surprisingly much of this work has re **The British National Bibliography** Arthur James Wells,2005 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1977
