Solstice Rain And Bullets Book 3:

Baseball's Longest Games Philip J. Lowry, 2010-04-23 Baseball is the only major team sport that doesn't feature a clock and there's a familiar saying among fans that as long as outs remain the game can theoretically go on forever. Every now and again it nearly does as author Phil Lowry demonstrates. The product of more than four decades of research, this book catalogs baseball games from around the world and throughout history that lasted 20 or more innings, stretched five or more hours, or ended after 1:00 am. Lowry also examines probability models to predict how often games of unusual length will occur. **The American Weather Book** David Ludlum, 1989-12 A collection of facts, myths, figures, all involving the weather. **Video Source Book** Gale Group, 1999-10-28 A guide to programs currently available on video in the areas of movies, entertainment, general interest, education, sports, recreation, fine arts, health, science, business, industry, children, juvenile, how-to, instruction. **Forthcoming Books** Rose Arny, 1991 **The New York Times Book Review Index, 1896-1970: Title index**, 1973
