Principles of Microeconomics Joshua Gans, Stephen King, Martin Byford, Gregory Mankiw, 2020-09-25 Principles of Microeconomics 8th edition focuses on important concepts and analyses necessary for students in an introductory economics course The learning material follows Mankiw's approach of providing a balance of Keynesian analyses of the short run and classical views of the long run The table of contents focuses on the 10 core principles of economics to provide students with a clear understanding of the discipline With an approachable student friendly writing style this resource allows all types of students to quickly grasp economic concepts and build a strong understanding of how economics applies to the real world Premium online teaching and learning tools are available on the MindTap platform Learn more about the online tools cengage.com.au/mindtap Principles of Microeconomics 9e Joshua Gans, Stephen King, Martin Byford, Gregory Mankiw, 2023-09-01 Principles of Microeconomics 9th edition focuses on important concepts and analyses necessary for students in an introductory economics course The learning material follows Mankiw's approach of providing a balance of Keynesian analyses of the short run and classical views of the long run The table of contents focuses on the 10 core principles of economics to provide students with a clear understanding of the discipline With an approachable student friendly writing style this resource allows all types of students to quickly grasp economic concepts and build a strong understanding of how economics applies to the real world Premium online teaching and learning tools are available on the MindTap platform Learn more about the online tools au.cengage.com/mindtap **Principles of Macroeconomics** Robin Stonecash, Joshua

Gans, Stephen King, Martin Byford, Kris Ivanovski, N. Gregory Mankiw, 2020-10-15 Principles of Macroeconomics 8th edition boils economics down to its essentials by considering what is truly important for students to learn in their first course in economics In keeping with the authors philosophy of showing students the power of economic tools and the importance of economic ideas this edition pays careful attention to regional and global policies and economic issues including the impacts of the contemporary macroeconomic issues inflation unemployment interest rates and monetary and fiscal policy The resource emphasises the material that students should and do find interesting about the study of the economy resulting in a focus on applications and policy and less on formal economic theory Principles of Macroeconomics 8th edition encourages

students to make their own judgements by presenting both sides of the debate on five controversial issues facing policy makers the proper degree of policy activism in response to the business cycle the choice between rules and discretion in the conduct of monetary policy the desirability of reaching zero inflation the importance of balancing the government's budget and the need for tax reform to encourage saving Premium online teaching and learning tools are available on the MindTap platform Learn more about the online tools [cengage.com/au/mindtap](https://www.cengage.com/au/mindtap)
