The Gospel In The Setting Of End-Time Events Leonard Philips Tolhurst, 2022-06-09 Since the beginning Seventh day Adventists have developed a high interest in Bible prophecy In addition to studying end time events early Seventh day Adventists also focused on studying and teaching distinguished doctrines such as the Second Coming the sanctuary the state of the dead the three angels messages the Sabbath and the Ten Commandments Only after the 1888 Minneapolis General Conference did Seventh day Adventists start to give attention to the important truth of righteousness by faith This very teaching which almost split the church in 1888 has been a reason for debate and theological controversy This book was written because understanding righteousness by faith and the end time events are essential for every believer Pastor Leonard Tolhurst devotes several chapters to clearly outline what righteousness by faith is and what it is not He also addresses some difficult topics such as the human nature of Christ A person's view on whether Jesus had a sinful or sinless nature determines to a large extent his or her understanding of righteousness by faith Some chapters deal with the 2 300 day prophecy of Daniel and their interpretations by futurists and preterists The second half of the book focuses on end time events the three angels messages the latter rain the sealing Armageddon among others It ends with the Second Coming and the millennium Each chapter is filled with Bible texts Ellen G White quotes and a list of Supportive Sources for further study The book is a tremendous resource for Bible teachers ministers and church members

Father Miller's Daughter Donald Edward Casebolt,2022-09-16 The crisis in Adventist eschatology is due to its reliance on Millerism s faulty methodology and falsified prophetic predictions Ellen White taught that Father Miller s sole authority was Scripture and a concordance that his interpretations were literal commonsense and most importantly that God had originated his date setting conclusions by repeated angelic guidance She announced that Miller was typological of John the Baptist that Miller was a forerunner to Christ s Second Advent as the Baptist was to his First This book will document that these three misconceptions are falsified by primary sources from roughly 1835 to 1851 Miller was highly dependent on disconfirmed centuries old historicist speculations his interpretations were allegorical and arbitrary not literal his falsified proofs obviously not of angelic origin For example Miller initially predicted the Parousia and fall of the Ottoman Empire for 1839 White also endorsed Snow Joseph Turner and Crozier whom she said God had given true light Post Disappointment these men continued using Miller s allegorical typological historicist methods and Ellen Harmon was taught by these men About two centuries after The Midnight Cry and the end times signs of 1755 1780 and 1833 the SDA church s tenacious reliance on Millerite proofs makes its eschatology increasingly implausible
