Hebrews: An Introduction and Study Guide Amy L. B. Peeler, Patrick Gray, 2020-01-09 This volume offers a compact introduction to one of the most daunting texts in the New Testament The Letter to the Hebrews has inspired many readers with its encomium to faith troubled others with its hard sayings on the impossibility of a second repentance and perplexed still others with its exegetical assumptions and operations drawn from a cultural matrix that is largely alien to modern sensibilities Long thought to be Paul the anonymous author of Hebrews exhibits points of continuity with the apostle and other New Testament writers in the letter s or sermon s vision of life in the light of the crucified Messiah but one also finds distinctive perspectives in such areas as Christology eschatology and atonement Gray and Peeler survey the salient historical social and rhetorical factors to be considered in the interpretation of this document as well as its theological liturgical and cultural legacy They invite readers to enter the world of one of the boldest Christian thinkers of the first century

The Abrahamic Christian Tithing: Workbook Dr. Samuel Kirk Mills, 2012-08-22 This is your companion workbook to your study book titled The Abrahamic Christian Tithing A Study book for the Church The study delves into the cause of Abrahams tithing to Melchizedek in order to indicate the fundamental spiritual benefits of Christian tithing to every individual member of a local church and its overall importance to the Church of Christ in general The study establishes the following lessons concerning the tithing of Abraham God had planned that Abraham will tithe before the creation of the universe As the father of the Christian faith God had worked in Abraham to tithe to Melchizedek to establish it as a unique type of giving by the

church to the High Priestly Ministry of Christ Affirming the fact that Abraham did not know and was not relating to God's personal nature when he was initially brought to Canaan the study also establishes the following lessons The tithing of Abraham was an indicator of God's work in him for the patriarch to know and to relate to His personal nature In working in Abraham to tithe as an act of knowing and relating to Him personally God was also establishing the fundamental principle of Christian tithing that it will be by the principle of knowing and relating to God personally Thus the study benchmarks the spiritual growth that occurred in the life of Abraham following his tithing as the fundamental benefit of the practice of Christian tithing to the individual members of a local church It shows us that Christian tithing is essentially a standardized way of giving by divine establishment that the church would utilize to cultivate personal relationship with God with the goal of growth in trust love and holiness to God With its unique perspective concerning the tithing of Abraham the study comprehensively brings out unexplored spiritual benefits that God had ordained in the patriarch for the Church of Christ through tithing

Bible Study Guide for Churches, Small House Fellowships, and Discussion Groups Richard Sogunle, 2022-08-01 In my many years of attending Bible study I have found that many who attend barely grow beyond the level of being fed the word of God Many are stocked in the level of milk without the capacity to handle the solid word of God The aptitude and zeal to understand and rightly share the word of God is absent in the greater percentage of church attendees today Every good shepherd desire that their flocks grow in their spiritual muscle and be able to stand anywhere and anytime on their faith feet without being tossed to and fro with every wind of doctrine However due to various environmental and organizational challenges a small group Bible study setting may be lacking in many churches The members may attend worship services on Sunday and other times and listen to the pastor's sermon day after day but never have the opportunity to contribute their God-given ideas or ask questions that could strengthen their courage to share their faith with understanding This book is designed to challenge believers in reading a passage of the scripture and equip them with spiritual warfare weapon in memory verse during each Bible study session The individual will have the opportunity to learn and discuss the weekly topic and questions that follow every introduction to the topic The study guide is simply arranged to enable any believer or group of believers and families to use in any Bible study group setting The study guide discusses various topics with supporting scriptural references to equip participants with practical knowledge and applications to their daily Christian living Bible Study Guide for Churches Small House Fellowships and Discussion Groups is a must have handbook for pastors leaders of various Christian fellowship groups and believers that will love to grow in their Christian walk
