Mentoring African American Males Dr. William Ross, 2014-09-01 Mentoring African American Males provides important black male research and student performance data to guide the efforts of those who accept the enormous task of standing in the gap to increase black male achievement Dr Ross provides guidance for individuals and institutions embracing the important role of developing mentoring programs or serving as a mentor to youth However what makes Dr Ross work such a critically important book for any individual or institution considering such a role is its insight into the social cultural framework within which mentoring must occur at every level from elementary school through college Equally insightful is the structure that such programs must take in response to the socio cultural constructs of the families communities and institutions where they will occur There are far more quantitative studies than qualitative on the topic of mentoring This text addresses that discrepancy and provides the results of several qualitative studies on African American males There is hardly any that offer a mixed method perspective that combine quantitative and qualitative methodological approaches This text reports on the research results that are qualitative in nature in addition to some that are from a quantitative and mixed method approach

Nacogdoches Integration and Segregation, Then and Now Michelle Williams, Brandon L. Fox, 2017-01-25 Thomas J Rusk Elementary School in Nacogdoches Texas houses a carved stone dedication plaque in its gymnasium s entryway It reads This gymnasium is dedicated to the White children of Nacogdoches In those days Nacogdoches was unapologetically segregated It was a matter of not only custom but also of law In respect to segregation Nacogdoches was little different than other communities in the Jim Crow South Its location in Texas however helped to obscure this fact While the US Supreme Court ended segregation in public schools on May 17 1954

Nacogdoches schools were not forced to integrate until 1970 This book is comprised of essays that paint a portrait of Nacogdoches both before and after integration Readers will find a collection of essays written by scholars but also by people who have firsthand experience in conflicts that arose in Nacogdoches after 1970 The essays focus upon both the objective measurable dimensions of race in Nacogdoches but also upon the actual lived experiences of African Americans in rural East Texas
