Halloween Surprise: A Fated Mate Magical Paranormal Midlife Romance Rose Bak, 2022-10-18 He's just the demon to bring out her magic powers. Raised as a normal, it was easy for Jane to forget that she came from a long line of witches. Her mother always told her that the magic skipped their branch of the family tree, but lately Jane's starting to wonder if that's really true. Her fortieth birthday is coming up on Halloween, and a lot of really weird things have been happening. A black cat starts following her around. She pictures her ex-boyfriend as a toad, and suddenly he's croaking and eating flies. Oh, and there's the pesky little problem of accidentally starting fires with just her fingers. When she goes back to her family's magical homestead to figure out what's happening, Jane ends up trapped in a closet with a guy who's tall, dark, handsome, and wearing horns. Gabriel understands the stress of hiding one's true nature. The love child of a demon and a wolf shifter, he doesn't quite fit in either world. Until the night he runs into his fated mate at a Halloween party, and things start making more sense for him. He just needs to convince his stubborn mate that they're meant to be if only they could keep their hands off each other long enough to get to know each other first. She thinks he's wearing a costume, but the truth is Gabriel can't conceal his true nature from Jane. Is it her new magical powers? Or proof that she really is his fated mate? Halloween Surprise is an insta-love midlife romantic comedy with plenty of steam and a sweet happily ever after. This book is a standalone story in the Magical Midlife series. About the Magical Midlife series: Just outside the shifter town of Greysden sits Rosewater Manor, a place shrouded in magic. The Rosewater women and their friends all have special gifts, although sometimes they're a bit glitchy. At least until they find true love.

The Blind Date Delaney Diamond, 2013-09-18 One night changes everything again. Years ago when Ryan Stewart saw Shawna Ferguson, it was love at first sight. Unfortunately, he wasn't a free man, and his deception caused him to lose her after a weekend that changed his life. When Shawna's sister and brother-in-law set her up on a blind date, she has no idea it's with Ryan, with whom she'd spent a weekend. She wishes she could forget. She reluctantly agrees to finish the date with him, but doing so leaves her vulnerable to his charms and the heat he ignited in her that very first night.

One of the Guys Delaney Diamond, 2016-05-27 He makes her feel like a woman. Mechanic Ronnie Taylor spends most of her time with men. As such, she's always been tough. But Diego Molina makes her feel the opposite of tough. The big Cuban is brash, bold, and gets under her skin. She finally has to admit the reason he annoys her isn't because she dislikes him. It's because she likes him a little too much. When Diego turns the tables on Ronnie, he uncovers the sensual woman hiding underneath. But past regrets threaten to derail their new relationship. Before they can get to forever, they must trust that they've found what they've been looking for all along.
