Revolution Française Sophie Pedder, 2018-06-21 The extraordinary story of how an outsider candidate an unknown technocrat and economics minister on the fringes of French politics made his way to the lys e palace with new material and expert analysis of recent events including the gilets jaunes protests Two years after Emmanuel Macron came from nowhere to seize the French presidency Sophie Pedder The Economist s Paris bureau chief tells the story of his remarkable rise and time in office so far In this updated edition published with a new foreword Pedder revisits her analysis of Macron s troubles and triumphs in the light of the gilets jaunes protests Eighteen months after he led his own audacious insurgency against France s established parties Macron would face another popular insurrection This time he was the target In her vivid account Pedder analyses the first real political crisis of Macron s tenure how the movement emerged on roundabouts and in cyberspace its impact on his plans to transform France and the repercussions for representative democracy On the eve of important European elections and with nationalist and populist forces rising across the continent she considers whether Macron can still hope to hold the centre ground work with Germany to rebuild post Brexit Europe and defend the multilateral liberal order Meticulously researched enriched by interviews with the French president and written in Pedder s gripping and immensely readable style this is the essential authoritative account for anyone wishing to understand Macron and the future of France in the world Now updated with new material including interviews with Emmanuel Macron

Women Writing Antiquity Helena Taylor, 2024-04-15 *Women Writing Antiquity* argues that the struggle to define the female intellectual in seventeenth century France lay at the centre of a broader struggle over the definition of literature and literary knowledge during a time of significant cultural change As the female intellectual became a figure of debate France was also undergoing a shift away from the dominance of classical cultural models the transition towards a standardized modern language the development of a national literature and literary canon and the emergence of the literary field This book explores the intersection of these phenomena analyzing how a range of women constructed the female intellectual through their reception of Greco Roman culture *Women Writing Antiquity* offers readings of known and less familiar works from a diverse corpus of translators novelists poets linguists playwrights essayists and fairy tale writers including Marie de Gournay Madeleine de Scud ry Madame de Villedieu Antoinette Deshouli

res Marie Jeanne L H ritier and Anne Dacier Challenging traditionally formalist and source text orientated approaches the study reframes classical reception in terms of authorial self fashioning and professional strategy and explores the symbolic value of Latin literacy to an author s projected identity These writers used reception of Greco Roman culture to negotiate the value attributed to different genres the nature of poetics the legitimacy of varied modes of authorship the qualities and properties of French and even how and by whom these topics might be debated Women Writing Antiquity combines a new take on the literary history of the period with a retelling of the history of the figure of the learned woman

The Evolution of the Nouvelle Revue Française, 1909-1914 Robert F. Roeming,1941 *The Cambridge World History of Genocide: Volume 2, Genocide in the Indigenous, Early Modern and Imperial Worlds, from c.1535 to World War One* Ned Blackhawk,Ben Kiernan,Benjamin Madley,Rebe Taylor,2023-05-04 Volume II documents and analyses genocide and extermination throughout the early modern and modern eras It tracks their global expansion as European and Asian imperialisms and Euroamerican settler colonialism spread across the globe before the Great War forging new frontiers and impacting Indigenous communities in Europe Asia North America Africa and Australia Twenty five historians with expertise on specific regions explore examples on five continents providing comparisons of nine cases of conventional imperialism with nineteen of settler colonialism and offering a substantial basis for assessing the various factors leading to genocide This volume also considers cases where genocide did not occur permitting a global consideration of the role of imperialism and settler Indigenous relations from the sixteenth to the early twentieth centuries It ends with six pre 1918 cases from Australia China the Middle East Africa and Europe that can be seen as premonitions of the major twentieth century genocides in Europe and Asia

The Theatre ,1915 **The Enlightenment that Failed** Jonathan Israel,2019 Radical and conservative Enlightenment ideologies began to break apart as the desire for a fair society clashed with questions of religion and secularization The Enlightenment that Failed shows how ideas promoting the interest of society as a whole came to be almost defeated by ideas buttressing the interests of the privileged few

Great North American Stage Directors Volume 5 Joan Herrington,2024-01-25 Richard Schechner Lee Breuer and Anne Bogart share a spirit of profound adventure and that adventure is the redefinition of theatre itself They are rare hybrids the confluence of their theatrical roles as directors scholars theorists and teachers has placed them among the most influential thinker practitioners of their generation This

book reveals the ways in which their consistent inquiry enabled them to re-examine, re-frame and re-invent their own practice. The essays in this volume explore the ways in which Schechner, Breuer and Bogart have established powerful legacies of consistently innovative theatre most often created in the company of an ensemble of collaborative artists. Their influence is undeniable in the reformulation of theatre practices from the 1970s onward. The Great North American Stage Directors series provides an authoritative account of the art of directing in North America by examining the work of twenty-four major practitioners from the late 19th century to the present. Each of the eight volumes examines three directors and offers an overview of their practices, theoretical ideas and contributions to modern theatre. The studies chart the life and work of each director, placing his or her achievement in the context of other important theatre practitioners and broader social history. Written by a team of leading experts, the series presents the genealogy of directing in North America while simultaneously chronicling crucial trends and championing contemporary interpretation.

Tragic Muse Rachel M. Brownstein, 1995. The great nineteenth-century tragedienne known simply as Rachel was the first dramatic actress to achieve international fame. Composing her own persona with the same brilliance and passion she demonstrated on stage, she virtually invented the role of star. Rumors of her extravagant life offstage delighted the audiences who flocked to theaters in Boston and Paris, London and Moscow to see her perform in the tragedies of Racine and Corneille. In *Tragic Muse*, Rachel M. Brownstein reveals the life of la grande Rachel and explores at the boundary of biography, fiction and cultural history the connections between this self-dramatizing woman and her image. Born to itinerant Jewish peddlers in 1821, Rachel arrived on the Paris stage at the age of fifteen. She became both a symbol of her culture's highest art and a clue to its values and obsessions. Fascinated with all things Napoleonic, she was the mother of Napoleon's grandson and the lover of many men connected to the emperor. Her story, the rise from humble beginnings to queen of the French state theater, echoes and parodies Napoleon's own. She decisively controlled her career, her time and finances despite the actions and claims of managers, suitors and lovers. A woman of exceptional charisma, Rachel embodied contradiction and paradox. She captured the attention of her time and was memorialized in the works of Matthew Arnold, Charlotte Brontë, George Eliot and Henry James. Richly illustrated with portraits, photographs and caricatures, *Tragic Muse* combines brilliant literary analysis and exceptional historical research. With great skill and acuity, Rachel M. Brownstein presents Rachel, her brief, intense life and the image that was both self-fashioned and outliving her, fashioned by others. First published by Knopf, 1993, this book will attract a broad audience interested in matters as wide-ranging as the construction of character, the cult of celebrity, women's lives and Jewish history. It will also be of enduring interest to readers concerned with nineteenth-century French culture, history, literature, theater and Romanticism. *Tragic Muse* won the 1993 George Freedley Award presented by the Theater Library Association.
