Under The Spaniards Lock And Key:

Under the Spaniard's Lock and Key Kim Lawrence, 2010 Nurse Maggie Ward is as pure as the snow white uniform she wears So when she falls for the enticing charms of darkly beautiful Rafael Castenadas she has no idea her unexpected meeting with him isn't accidental Not until it's too late and she's become tangled up in his carefully spun web and she's under his lock and key Rafael has had to take drastic measures to protect his family name But he's beginning to realise that he's not just interested in keeping Maggie quiet he wants to give her pleasure

The Spaniard's Summer Seduction Kim Lawrence, 2013 *The Limits of Racial Domination* R. Douglas Cope, 1994-04-01 In this distinguished contribution to Latin American colonial history Douglas Cope draws upon a wide variety of sources including Inquisition and court cases notarial records and parish registers to challenge the traditional view of castas members of the caste system created by Spanish overlords as rootless alienated and dominated by a desire to improve their racial status On the contrary the castas Cope shows were neither passive nor ruled by feelings of racial inferiority indeed they often modified or even rejected elite racial ideology Castas also sought ways to manipulate their social superiors through astute use of the legal system Cope shows that social control by the Spaniards rested less on institutions than on patron client networks linking individual patricians and plebeians which enabled the elite class to co-opt the more successful castas The book concludes with the most thorough account yet published of the Mexico City riot of 1692 This account illuminates both the shortcomings and strengths of the patron client system Spurred by a corn shortage and subsequent famine a plebeian mob laid waste much of the central city Cope demonstrates that the political situation was not substantially altered however the patronage system continued to control employment and plebeians were largely left to bargain and adapt as before A revealing look at the economic lives of the urban poor in the colonial era *The Limits of Racial Domination* examines a period in which critical social changes were occurring The book should interest historians and ethnohistorians alike
