Embark on a captivating odyssey through the pages of MMA Manuscripts and immerse yourself in the electrifying world of mixed martial arts.

Iron Ambition Mike Tyson, Larry Sloman, 2018-05-22 From the former heavyweight champion and New York Times bestselling author comes a powerful look at the life and leadership lessons of Cus D'Amato, the legendary boxing trainer and Mike Tyson's surrogate father. **Iron Ambition** spells out D'Amato's techniques for building a champion from scratch. Wall Street Journal: When Cus D'Amato first saw thirteen-year-old Mike Tyson spar in the ring, he proclaimed, "That's the heavyweight champion of the world." D'Amato, who had previously managed the careers of world champions Floyd Patterson and Josie Torres, would go on to train the young Tyson and raise him as a son. D'Amato died a year before Tyson became the youngest heavyweight champion in history. In Tyson's bestselling memoir *Undisputed Truth*, he recounted the role D'Amato played in his formative years, adopting him at age sixteen after his mother died and shaping him both physically and mentally after Tyson had spent years living in fear and poverty. In **Iron Ambition**, Tyson elaborates on the life lessons that D'Amato passed down to him and reflects on how the trainer's words of wisdom continue to resonate with him outside the ring. The book also chronicles Cus's courageous fight against the mobsters who controlled boxing, revealing more than we've ever known about this singular cultural figure.

Iron Ambition Mike Tyson, Larry Sloman, 2017-05-25 The key to Mike Tyson's unprecedented success in the ring and in overcoming the demons that success laid in his path was his relationship with Cus D'Amato. When the well-past-his-prime boxing trainer and 13-year-old felon met, D'Amato saw his one last shot at glory and redemption via the young thug. **IRON AMBITION** is the epic story of that five-year relationship as well as a guide to the lessons D'Amato imparted that enabled Tyson to become the most devastating heavyweight in boxing history and later to achieve sobriety and intimacy with another person. Cus D'Amato possessed a brilliant mind and a flair for innovation. Well before any sports figure had ever written about Zen or getting in the zone, he realized that the key to success was to achieve a state where thoughts and emotions didn't interfere with a person's intuition. Freed from allowing those thoughts to intrude, D'Amato's successful students reached an exalted level that allowed them to perform at their physical peak. D'Amato also studied fear. Rather than pretending that fear didn't exist for his fighters, he implored them to acknowledge their fear and taught them ways to harness that fear and use it to reach another level of performance. Perhaps most important, D'Amato communicated the vital importance of discipline and schooled Tyson on how to instill discipline in his own life, a skill that has served him to this day. Paradoxically, the very skills D

Amato instilled in Tyson that garnered him untold riches and fame opened the door to the biggest challenge of the fighter's life when legions of corrupt bloodsuckers came to prey on him. Only after many years of hard knocks did Tyson return to his roots and use the lessons D Amato had taught him so long before in the house on the Hudson to restore his sanity and straighten out his life. Tyson's layered path to stability and serenity is a story of uncommon richness and texture.

Baddest Man Mark Kriegel, 2025-06-03 From the acclaimed New York Times bestselling author whose coverage of Mike Tyson and his inner circle dates back to the 1980s a magnificent noir epic about fame, race, greed, criminality, trauma and the creation of the most feared and mesmerizing fighter in boxing history. On an evening that defined the greed is good 1980s Donald Trump hosted a raft of celebrities and high rollers in a carnival town on the Jersey Shore to bask in the glow created by a twenty-one year old heavyweight champion Mike Tyson knocked out Michael Spinks that night and in ninety-one frenzied seconds earned more than the annual payrolls of the Los Angeles Lakers and Boston Celtics players combined. It had been just eight years since Tyson a feral child from a dystopian Brooklyn neighborhood was delivered to boxing's forgotten wizard Cus D Amato who was living a self-imposed exile in upstate New York. Together Cus and the Kid were an irresistible story of mutual redemption darlings to the novelists, screenwriters and newspapermen long charmed by D Amato and perfect for the nascent industry of cable television. Way before anyone heard of Tony Soprano Mike Tyson was HBO's leading man. It was the greatest sales job in the sport's history and the most lucrative. But the business of Tyson concealed truths that were darker and more nuanced than the script would allow. The intervening decades have seen Tyson villainized, lionized and fetishized but never until now fully humanized. Mark Kriegel an acclaimed biographer regarded as the finest boxing writer in America was a young cityside reporter at the New York Daily News when he was first swept up in the Tyson media hurricane but here he measures his subject not by whom he knocked out but by what he survived. Though Tyson was billed as a modern-day Jack Dempsey in truth he was closer to Sonny Liston. Tyson was Black, feared and born to die young. What made Liston a pariah though would make Tyson in a way his own handlers could never understand a touchstone for a generation raised on a soundtrack of hip hop and gunfire. What Peter Guralnick did for Elvis in *Last Train to Memphis* and James Kaplan for Sinatra in *Frank* Kriegel does for Tyson. It's not just the dizzying ascent that he captures but also Tyson's place in the American psyche.
